Dear St. George's Student/Parent,

It's time to order your textbooks for the 2008/2009 school year!

Included in this document is a list of instructions for ordering online through our website and textbook lists/order forms (one for grade 6-8, one for grade 9-12). This order form may be used as a guide to place your order online or (if you prefer NOT to place your order online) you may print out this form and mail or fax to us. If you are filling out the order form to send in, please mark clearly the titles you will need and whether you would prefer new or used copies of textbooks. Also fill out ALL of the information at the end of the form, including your shipping address, payment information and voucher information (if you traded in textbooks). You will need your course list that the school has recently sent to you so that you choose the correct courses for the upcoming school year.

All orders will be processed, the books will be pulled and packed, and will be shipped to you beginning the second week in August. In order to guarantee that your books are delivered to you before the first day of school, **ALL ORDERS MUST BE PLACED BY FRIDAY, AUGUST 8TH**. And remember: for some titles there is a limited supply of used copies available. The sooner you place your order, the better chance you will have to purchase used copies. We will be on campus on the first day of school if you need to make returns or exchanges

If you have any questions concerning the ordering of textbooks, please contact Cheryl Mesler at 901-278-7484 or burkes@netten.net.

Sincerely,

Cheryl Mesler

Again, you DO NOT have to login to PayPal to complete this transaction. After you finish entering your credit card information and submit your payment, you may return to our site. After you have placed your order, you will receive an email confirmation. This email will contain all of your order information, as well as a unique password to log in to our site and view the status of your order. Orders will begin shipping the second week of August. If you need to make any changes to your order, please call.

This will complete the order process. If you have any questions concerning any part of the ordering process, please call Cheryl Mesler at 901-278-7484.
